NIS Chapter VII Outline Guide

The revised NIS Chapter VII Outline Guide was submitted to the NIS Committee members for consideration at Meeting No. 278 held 14 October 1958, and at Meeting No. 279 held on 5 November 1958 received general approval of the Committee with the exception of the Army member.

The comments from the Army are submitted in attached memorandum dated 4 November 1958. We find most of the suggested changes unacceptable, but desire the views of the SEC before proceeding further with the Outline Guide.
